

DEPARTMENT OF ENERGY
DELEGATION ORDER NO. 0204-121
TO THE DEPUTY ASSISTANT SECRETARY
FOR NAVAL REACTORS

Pursuant to the authority vested in me as Secretary of Energy and by section 642 of the Department of Energy Organization Act (Pub. L. 95-91), there is hereby delegated to the Deputy Assistant Secretary for Naval Reactors continuing authority to take the following actions pursuant to section 91.b. of the Atomic Energy Act of 1954, as amended, and National Security Decision Memorandum 182 (July 31, 1972):

1. Authorize the transfer of special nuclear material to the Department of the Navy (except for the Navy Facilities Engineering Command, NAVFAC) in such quantities and at such times as necessary for cores for new military reactors and for replacement cores for existing military reactors, and for miscellaneous purposes (other than use in atomic weapons), for which material, fabrication, and new reactors the Congress shall have authorized funds.
2. Authorize the Department of the Navy to manufacture, produce or acquire utilization facilities (nuclear powered ships) for which Congress shall have authorized funds.

The authority delegated herein to the Deputy Assistant Secretary for Naval Reactors may not be redelegated.

In exercising the authority delegated by this Order, the delegate shall be governed by the rules and regulations of DOE and the policies and procedures prescribed by the Secretary or his delegate(s).

All actions pursuant to any authority delegated prior to this Order or pursuant to any authority delegated by this Order taken prior to and in effect on the date of this Order are hereby confirmed and ratified and shall remain in full force and effect as if taken under this Order, unless or until rescinded, amended, or superseded.

This Order is effective August 26, 1987.
